

 **Royal Nectar**TM
For Acne

Spot Treatment can be used up to twice a day (Morning or night or both).
Shield Mask to be used in the evening once a week as a replacement to the spot treatment.

Your Skincare Routine:

Foaming Cleanser

Our Foaming Cleanser is to be used morning & night in your daily skincare routine.

The combination of Lactic Acid and Kaolin Clay unclog pores, remove dead skin cells and help fight off impurities that your skin collects throughout the day and night such as makeup, sweat, dust and dirt. Leaving your skin clean and fresh.

150ml / 5.07fl.oz

Shield Mask

Our Shield Mask is designed to target the whole face in one go.

Plumping the skin and engaging the red blood cells to the surface of the skin to improve circulation, promote collagen production and allowing the skin to absorb all the nutrients fast, leaving your skin glowing and completely refreshed. To be used once a week in replacement to spot treatment.

x4 10ml / 1.35fl.oz

Spot Treatment

Help minimise the signs of redness, and control blemishes with our amazing Spot Treatment. With ingredients such as Hyaluronic Acid, mixed with Bee Venom and Manuka Honey, this spot treatment will not only fight off bacteria, but heal and nourish the skin all in one go. To be used morning and night x6 per week.

10ml / 0.33fl.oz

Moisturiser

After completing your skincare routine, your skin will require some extra support. Our rejuvenating Moisturiser will nourish your skin, using Jojoba and Apricot oil to inject the skin with an extra boost of hydration. Helping to reduce oily zones, while Bee Venom helps to plump & soften fine lines.

30ml / 1.01fl.oz
